

# Paraffin (single mix)

## Ruby

Old man's ass  
Fifty heads wide  
Old man's ass  
Could stretch a battle ship,  
Side to side to side to side to side to side to side to side  
Are we all wrapped up, wrapped up together  
Are we all wrapped up, fit for the kill  
Are we all wrapped up, stacked up together  
Stretch my neck to look up to him  
Are we all wrapped up, wrapped up together  
Are we all wrapped up, fit for the kill  
Are we all wrapped up, stacked up together  
Fit for the kill  
There's a flower thief in my back yard again,  
I'll grin my teeth to make him stay,  
Trap him in my flower bed and then  
I'll feed him with my paraffin.  
Feed him with my paraffin.  
Feed him with my paraffin.  
Stretch my neck to look up to him.  
Are we all wrapped up, wrapped up together  
Are we all wrapped up, fit for the kill  
Are we all wrapped up, stacked up together  
Stretch my neck to look up to him  
Are we all wrapped up, wrapped up together  
Are we all wrapped up, fit for the kill  
Are we all wrapped up, stacked up together  
Stretch my neck to look up to him.  
Old man got me in the eye again  
Stretch my neck to look up to him.  
Stuck his bony finger in.  
Stretch my neck to look up to him.  
Turned me round and did it all again.  
Stretch my neck to look up to him.  
Now I smell like paraffin X8  
Are we all wrapped up, wrapped up together  
Now I smell like paraffin X7  
Are we all wrapped up, wrapped up together  
Now I smell like paraffin X4
