

Paraffin (single mix)

Ruby

Old man's ass

Fifty heads wide

Old man's ass

Could stretch a battle ship,

Side to side to side to side to side to side to side Are we all wrapped up, wrapped up together

Are we all wrapped up, fit for the kill

Are we all wrapped up, stacked up together

Stretch my neck to look up to him

Are we all wrapped up, wrapped up together

Are we all wrapped up, fit for the kill

Are we all wrapped up, stacked up together

Fit for the kill

There's a flower thief in my back yard again,

I'll grin my teeth to make him stay,

Trap him in my flower bed and then

I'll feed him with my paraffin.

Feed him with my paraffin.

Feed him with my paraffin.

Stretch my neck to look up to him. Are we all wrapped up, wrapped up together

Are we all wrapped up, fit for the kill

Are we all wrapped up, stacked up together

Stretch my neck to look up to him

Are we all wrapped up, wrapped up together

Are we all wrapped up, fit for the kill

Are we all wrapped up, stacked up together

Stretch my neck to look up to him.

Old man got me in the eye again

Stretch my neck to look up to him.

Stuck his bony finger in.

Stretch my neck to look up to him.

Turned me round and did it all again.

Stretch my neck to look up to him.

Now I smell like paraffin X8

Are we all wrapped up, wrapped up together

Now I smell like paraffin X7

Are we all wrapped up, wrapped up together

Now I smell like paraffin X4
