Not In Love

slamer

You got the thing I need
I want a little bit of make-belief
You curse, and then I bleed
I'm tough and I cannot take it
Baby we'll see

You think you're gonna take my heart away
Will all the crazy games you play
You touch, I lose control
One look burns me all the way to my soul
You tease, I beg for more
You're my drug
I'm addicted for sure

If I'm gonna let my feelings show
Then this is all you need to know

I'm not in love
Believe me, it ain't easy when I gotta say
It's not enough
You try to steal my heart
then you turn and walk away

I'm not in love
Not in love
(oh no)

You think I've lost my mind
I laugh, wonder if I'm wasting my time
Act cool, like you don't care
I'm your fool, following you everywhere

If I'm gonna let my feelings show
Then this is all you need to know

I'm not in love
Believe me, it ain't easy when I gotta say
It's not enough
You try to steal my heart

then you turn and walk away

I'm not in love
Not in love

I'm not in love
Believe me, it ain't easy when I gotta say
It's not enough
You try to steal my heart
then you turn and walk away
I'm not in love
I'm not in love
It's not enough
You try to steal my heart
then you turn and walk away
I'm not in love
