

Steer

Missy Higgins

Feel it falling off like clothing
Taste it rolling on your tongue
See the lights above you glowing
Oh, and breathe them deep into your lungs
It was always simple, not hidden hard
You've been pulling at the strings
Playing puppeteer for kings
And you've had enough
But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know
That you control where you go
You can steer
So hold this feeling like a new born
Of freedom surging through your veins
You have opened up a new door
So bring on the wind, the fire and the rain
It was always simple, not hidden hard
You've been played at a game
Called remembering your name
And you stuffed it up
But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know
That you control where you go
You can steer, oh
So now you finally know
That you control where you go
You can steer
'Cos you've been listening for answers
Oh, but the city screams and all your dreams go unheard
But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know
That you control where you go
You can steer, oh
Yeah, get out of the box and step into the clear, oh
'Cos now you finally know you can steer
