

# I Love the Way You Love Me (Remastered)

[John Michael Montgomery](#)

I like the feel of your name on my lips  
And I like the sound of your sweet gentle kiss  
The way that your fingers run through my hair  
And how your scent lingers even when your not there  
And I like the way your eyes dance when you laugh  
And how you enjoy your two hour bath  
And how you convinced me to dance in the rain  
With everyone watching like we were insane  
But I love the way you love me  
Strong and wild  
Slow and easy  
Heart and soul  
So completely  
I love the way you love me  
I like to imitate old Jerry Lee  
And watch you roll your eyes when I'm slightly off key  
And I like the innocent way that you cry  
At sappy old movies you've seen hundreds of times  
But I love the way you love me  
Strong and wild  
Slow and easy  
Heart and soul  
So completely  
I love the way you love me  
And I could list a million things  
I love to like about you  
But they all come down to one reason  
I could never live without you  
I love the way you love me  
Strong and wild  
Slow and easy  
Heart and soul  
So completely  
I love the way you love me  
Oh baby I love the way you love me
