

Riders On The Storm

The Doors

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown
Like a dog without a bone
An actor out on loan
Riders on the storm

There's a killer on the road
His brain is squirmin' like a toad
Take a long holiday
Let your children play
If ya give this man a ride
Sweet family will die
Killer on the road, yeah...

Girl ya gotta love your man
Girl ya gotta love your man
Take him by the hand
Make him understand
The world on you depends
Our life will never end
Girl ya gotta love your man, yeah...

Yeah!

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown
Like a dog without a bone
An actor out on loan
Riders on the storm

Riders on the storm
Riders on the storm
Riders on the storm
Riders on the storm
Riders on the storm...
