Korea

<u>Psy</u>

I taste you much better Off teeth taste Of white skin on red leather Check the claws we gotNight time cavity to come in Downtown pony work your pitchI came to in feathers Like leaves taste You rubbed me together With claws like we gotNight time cavity to come in Downtown pony work your pitch Daytime dancer, I'll come inside Got my teacher now carve your niche[Incomprehensible] is yours Night time cavity, ahhNight time cavity to come in Downtown pony work your pitch Daytime dancer, I'll come inside Got my teacher now carve your niche
