## Group 1 Crew

I got one verse to make you, see past the fro and the shoes, and feel the reason for the heatin up inside  
of this room, I'm like the messenger who, told you about the good newz,  
And soon you downloadin this single I approve on I tunes,  
And so you pick it up, move a little more and switch it up,  
Take it to the floor and burn it up, wanna get it free so you burn it up that's what's upIt's all over, we shuttin  
them down , we shuttin them downman-n-n-nipulation,man-n-n-nipulation, man-n-n-nipulation, man-n-n-  
nipulationI ain't nothin butta messenga  
Change my flow to connect witchaYou can feel this rhythm when it bump Play it loud until all the people  
comeWatch this beat, make you move like you crazy  
So crazy it makes you freak  
But you too busy watchin me (don't do that)  
Cuz I ain't nothin butta messenga  
Change my flow to connect witcha  
Track so hot it'll mess witcha like  
Simma simma ga ga get upman-n-n-nipulation,man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulationIt's  
all over, we shuttin them down, we shuttin them downNo need to be subliminal people ill be the first to tell you  
what the goal is / flooding the radio with/ a flow that's so atomic while time tics we making a public  
announcement there's really no reason to stop this we got this ain't nothing like us so listen in close and rewind  
this close and rewind it we got what you wanted magnetic tones you love it turn it up and bump it till ur soul is  
thum, thum, thumpinIf you follow me  
Hope that you can see  
All that we believe  
That's all we wanna doGimme that drum & bass loveWe bringing back back that beat watch the bass drop  
We bringing back back that beat make ya body rockIt's all over, we shuttin them down, we shuttin them  
downmake ya body rock make make make ya body rock  
make ya body rock make make make ya body rockman-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation,  
man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation, man-n-n-  
nipulation
