

# One Last Breath

## Example

If I can't do what I love  
I may as well be invisible  
But if we all did what we want  
We may as well be criminals Well I ain't got a lot of stuff  
But with you, I can see the world  
Well we've both got a lot of love  
Let's run away, be original One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side  
One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side If I can't do what I love  
I may as well be invisible  
But if we all did what we want  
We may as well be criminals Well I feel like I'm old enough  
And with you I can be myself  
Well we've both got a lot of love  
Let's run away, be invincible Let's run away  
Let's run away  
We got something to say  
Let's run away, be original One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side  
One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side I know we look out for each other  
Give our lives for the other one  
So when I say goodbye I'm happy  
Happy you're by my side Let's run away  
Let's run away  
We got something to say  
Let's run away, be original One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side

One last breath, then say goodbye  
One last breath, then say goodbye  
One last breath, then say goodbye  
And I'm happy you're by my side
