

# Jet Black And Jealous

## Eli Young Band

No you never were one for resting easy were ya  
So much that when they told me how you left us here behind  
That I didn't even bat an eye believing  
In words I should have said to make you stay but couldn't find  
I just hoped that road would one day watch you walk right back to me  
?Till then I'll be  
Jet black and jealous  
And I'll dare not let ?em know that now you're gone  
How I'll still be a fool for the way we used to be  
I just keep laughin' out loud and play along  
As if I traded you for one the way you traded me  
?Cause with your beat up bag and your laced up shoes  
You walked right out the door  
And I hit the floor  
Jet black and jealous

### Chorus:

Tell me how was I to know  
Tell me how can I let go  
Well I know wherever you are tonight  
You look just like a queen  
Stealing the scene  
Jet black and jealous  
And I bet by now you're rolling through Pittsburgh  
Watching the rain in passing headlights  
From some roadside corner booth  
Still smiling ?bout the choices that you made  
Hoping the clouds are breaking up ahead  
Skies blue instead of grey  
But if you get out there and you find  
That it's not what you thought it be, remember me  
Jet black and jealous

### Repeat Chorus

Yeah if you get out there and you find  
That it's not what you thought it'd be, come back to me  
Tell me how  
Tell me how was I to know

Tell me how was I to know
