

She's Got the Look

Guttermouth

Advisory - the following lyrics contain explicit language:

She likes to read I like tv
She's checking out my good friend steve
She likes a beer I like a shot
Her parents think I'm selling potShe likes the boys in the band
She goes and plays in the strand
When I take pictures in public she complains
The pictures of my life gone down the drainI like to drive she likes to walk
She caught me jackin in my sock
I like a drink she likes a dance
I'm drunk again I cut my pantsShe likes the boys in the band
I like the surf she likes the sand
When I come home late she's got the look
.....For you I'd do it, just for you I'd do it
I would wash my car, get a job
Odor eaters, promise just for you I'd do it
For you for you, for you for you
For you for you, for you for youI guess our eyes will never meet
Mark please put down the toilet seat
She likes to kiss, I'd rather fuck
And all her friends think I'm a smuckShe did the boys in the band
I guess I'll be a single man
I used to want to sleep and she'd complain
The pictures of my life washed down the drainI'll wash my car, get a job
Odor eaters, promise I'll recycle all my beer cans
Like I promised I would do
I will cancel my subscription to jugs and beaver hunt
Just for you I'd do itI'll wash my car, get a job
Odor eaters, promise I'll recycle all my beer cans
Like I promised I would do
I will cancel my subscription to jugs and beaver hunt
Just for you I'd do itFor you for you, for you for you
For you for you, for you for you
