Bitterblue

Bonnie Tyler

I'll take a train to nowhere

This love is a sacrifice

My heart ain't big enough, babe

For your paradise

Oh darling, I'm crazy after all these yearsDon't throw away my love, babe

I'm not a lonely child

Tomorrow's such a long time

My dreams are running wild

Oh darling, I'm crazy after all these yearsI gave you all my love for free

My tears are full of memories

Give me love, give me all

Baby, catch me when I fall tonightBitterblue, bitterblue

Breaking up is hard to do

Bitterblue, you know that I'm too proud to cry

Bitterblue, bitterblue

I can't take my eyes off you

And that's no way to say goodbyeI'd be sailing on a rainbow

If you will change your mind

Don't throw away this love, babe

Love is hard to find

Oh darling, I'm crazy after all these yearsCome save a little room, babe

In your heart for me

We can make it better

Love is a mystery

Oh darling, I'm crazy after all these yearsOh, I sold my heart to you

I gave you love and heaven too

Now give me love, give me all

Baby, catch me when I fall tonightBitterblue, bitterblue

Breaking up is hard to do

Bitterblue, you know that I'm too proud to cry

Bitterblue, bitterblue

I can't take my eyes off you

And that's no way to say goodbyeBitterblue, bitterblue

Breaking up is hard to do

Bitterblue, you know that I'm too proud to cry

Bitterblue, bitterblue

I can't take my eyes off you

And that's no way to say goodbyeAnd that's no way to say goodbye

And that's no way to say goodbye
