

I Will Fall In Love

Alexz Johnson

I see myself through your eyes,
it came out of the blue.
Who'd have thought that a heartbreak,
could ever lead me to you? You pull stars from the skies,
and hang them like halos.
When I'm blinded by light,
I'm scared for my life. I come, come, come back home. (The words are in my mouth...)
I come, come, come back home.
(The words are in my mouth,
you help me get them out...)
Chains are falling off,
I am letting go.
Instead of holding on,
I will fall in love.
A whisper on the storm,
floating through the air.
I will make it there,
I will fall in love. (The words are in my mouth...)
(The words are in my mouth...) I couldn't see through the dust,
'cause I could not forget.
It was out of my hands,
and my soul was set. And now colors and shapes,
are moving like tidal waves.
And I know that it's right,
'cause I'm scared for my life.
(The words are in my mouth...)
I come, come, come back home.
(The words are in my mouth,
you help me get them out...) Chains are falling off,
I am letting go.
Instead of holding on,
I will fall in love.
A whisper on the storm,
floating through the air.
I will make it there,
I will fall in love. (The words are in my mouth...)
I can feel it in my everything.
(The words are in my mouth...)
You're my heartbeat,

I can feel it in my everything.
My everything
Chains are falling off(You're my heartbeat...)
I am letting go(You're my heartbeat...)
Instead of holding on(You're my heartbeat...)
I will fall in love(You're my heartbeat...)A whisper on the storm(You're my heartbeat...)
floating through the air(You're my heartbeat...)
I will make it there(You're my heartbeat...)
I will fall in love!Chains are falling off,
I am letting go.
Instead of holding on,
I will fall in love.
A whisper on the storm,
floating through the air.
I will make it there,
I will fall in love.(The words are in my mouth...)
(The words are in my mouth...)
