# Faster ("Rubinrot" Soundtrack Version)

## Sofi De la Torre

Can you feel it pulsing through your veins
Running around like a mad man
Looking for a game plan
That will take your breath away
Flying high like an aeroplane
Balanced on a tight rope
Waiting for the big show
Hoping I can do it all over againFill me up with the glorious words you say
Make me part of the wonderful games you playIt's gotta be faster, faster
Harder, harder
A better version of me
Gotta be crazy, sexy
Louder, edgy
A bigger version of me
So here's something we can all dance to
I'll sing about the beat to make us all move
It's gotta be faster, faster
Harder, harder
But you don't know what it meansSo come on and brief me
You're obviously the chief of me
You always know what's best
I am just a singer in a hotel room
Trying hard to pass your test
And if I'm ticking all the boxes
Or tricking all the foxes
I guess it's not my callSo fill me up with the glorious words you say
Make me part of the wonderful games you playIt's gotta be faster, faster
Harder, harder
A better version of me
Gotta be crazy, sexy
Louder, edgy
A bigger version of me
So here's something we can all dance to
I'll sing about the beat to make us all move
It's gotta be faster, faster
Harder, harder
But you don't know what it meansAnd if you took me as I am
Would it be such a bad thing?
Saw me as I am, would it be so bad?

If you felt what I had would it be such a bad thing? Be such a bag thing ingIt's gotta be faster, faster
Harder, harder
A better version of me
Gotta be crazy, sexy
Louder, edgy
A bigger version of me
It's gotta be faster, faster
Harder, harder
A better version of me
Gotta be crazy, sexy
Louder, edgy
A bigger version of me
So here's something we can all dance to
I'll sing about the beat to make us all move
It's gotta be faster, faster
Harder, harder
But you don't know what it means
