True To Myself

[Ziggy Marley](#)

Life has come a long way since yesterday, I say
And it's not the same old thing over again, I say
Just do what you feel and don't you fool yourself, I say
'Cause I can't make you happy unless I am, I say, I say, IGot to be true to myself, got to be true to myself
Got to be true to myself, got to be true to myselfDay in, day out I've asked many questions, I say
Only to find the truth, it never changes, I say
If you don't deal with it, it keeps killing you a little by little, I say
Call me selfish if you will, my life I alone can live, I say, I say, IGot to be true to myself, got to be true to
myself in a way now
Got to be true to myself, got to be true to myselfI don't care if it hurts, I'm tired of lies and all these games
I've reached a point in life, aey no longer can I be this way
Don't come crying to me, I too have shed my share of tears
I'm moving on, yes I'm grooving on, aey well I'm finally freeI've got to be true to myself, got to be true to
myself in a way y'all
Got to be true to myself, got to be true to myself, c'mon nowGot to be true, got to be true, got to be true to
myself in a way y'all
Got to be true, got to be true, got to be true to myself
