KÃzi

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king
Anyone could be that guy
The night is young, and the music's high
Playing bluegrass music, and everything is fine
You're in the mood to dance
And when you get the chance

You are the Dancing Queen
Young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine, oh yeah
You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

You're a teaser, you turn 'em on
Leave 'em burning, and then you're gone
Looking for another, anyone will do
You're in the mood to dance
And when you get the chance

You are the Dancing Queen
Young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine, oh yeah
You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

You can dance, you can jive
Having the time of your life
See that girl, watch that scene

Dig in the Dancing Queen

Dancing Queen

See that girl, watch that scene

Dig in the Dancing Queen
