I'll Be Loving You

Big Al Downing

I'LL BE LOVING YOU
(Toy Caldwell)When the morning sun
Melts the morning dew
I'll be loving youWhen the evening sun
Tells me the day is done
I'll be loving youCHORUSAnd I'll be loving you
Until my dying days
And I'll be loving you
Just an old fool set in my waysAlthough it seems
That you are in my dreams
I'll be loving youSomehow I know
It's really gotta show
That I'll be loving youCHORUSIt won't mean the same
If you never know my name
Cause I'll be loving youWhen the morning sun
Melts the morning dew
I'll be loving youCHORUS
