Aha

Bob Mintzer Quartet

La la la la laEat, sleep, breathe it
You're full of the stuff
Go bag it, tie it up tight.
Wheat, meat, dairy-free, t-total, happy-clappy
High on life, you should try it
You should know, you should know
Go on while no one's lookingAha!
Gotcha now!
Caught red handed in the biscuit tin
Cost you to keep me quiet!La la la la, La la la la, La la la la, La la la
La la la la, La la la la, La la la la laGolden boy boots, pocket pedal stool
Making sharp smart moves
Plastic, tin can, paper separator
Busy bee wave, wave save the planet flag
But sneaky in suburbiaAha!
Candid camera!
Hook, line and sinker for the four-wheel drive
Cost you to keep me quiet!Keep me quiet! (keep me quiet!)La la la la, La la la la, La la la la, La la la
La la la la, La la la la, La la la la la(Avi solo break)Nicest, sweetest, up-most in everything
It's so charming, very charming
Well read, can play the fool
No one's I'll at ease and put their
Deepest Swiss bank trust in you
No one saw it comingAaaha! Aaaaaaha! Aaaaaaaaaaha!Cost you to keep me quietLa la la la, La la la la, La la la la, La la la
La la la la, La la la la, La la la la laOi!
