Way Of The World

Tina Turner

Baby, I need a hand to hold tonight
And one bright star to remind me
How dear is this life
And baby, I've never known anyone like you
There's something very special about you
I can't imagine living without youIt's the way of the world and its motion
And no ocean can keep us apart
When the moment is right and you're holding me tight
You capture the beat of my heart
In my heart there's s fire always burning
And there isn't a thing I can't do
I'm resigned to the fact that there's no turning back
And I'll never regret loving youBaby, I will go anywhere you need
As long as you're there beside me
Baby, that's all I need
Hold me, hold me and never let me go
I'm always gonna care about you
I never want to be without youIt's the way of the world and its motion
And no ocean can keep us apart
When the moment is right and you're holding me tight
You capture the beat of my heart
In my heart there's s fire always burning
And there isn't a thing I can't do
I'm resigned to the fact that there's no turning back
And I'll never regret loving you
