Redneck Girl

The Bellamy Brothers

Redneck girl likes to cruise in Daddy's pickup truck
And a redneck girl plays her heart when she's down on her luck
Living for a Friday afternoon
She's gonna show one ole boy that weekend moon

And I pray that someday I will find me a redneck girl
Redneck girl likes to stay out all night long
She makes sweet rock n' roll while she listens to the country songs
She's waitin' for that moment of surrender
Her hands are calloused but her heart is tender

And I pray that someday I will find me a redneck girl
Oh give me a give me a give me a redneck girl
Give me a give me a give me a redneck girl

Oh give me a give me a give me a redneck girl
Give me a give me a give me a redneck girl

A redneck girl got a name on the back of her belt
She's got a kiss on her lips for her man and no one else
A coyote's howling out on the prairie
First comes love then comes marriage

And I pray that someday I will find me a redneck girl
Yeah give me a give me a give me a redneck girl
