

# Paperface [demo version]

## Weezer

Amy Moore blew her top  
Stole a car, shot a cop  
Sped away 2000 miles  
Didn't stop until she hit New Orleans  
That's alright, there's just one thing  
Her wedding ring, or anything  
She left behind, forgot to pack  
How the hell is she gonna get it back?  
Paperface  
Paperface I never heard of paperface  
Until I moves to the West Coast  
Where I found that to be smooth  
I had to wear a paperface  
That's alright there's just one thing  
How am I supposed to sing?  
With this thing in my way  
With this thing in my face  
Paperface, paperface, paperface  
Only hope to see  
See what's underneath  
Only hope to be  
Me that's underneath  
Amy Moore blew her top  
Stole a car, shot a cop  
Sped away 2000 miles  
Didn't stop until she hit New Orleans  
That's alright, there's just one thing  
Her wedding ring, or anything  
She left behind, forgot to pack  
How the hell is she gonna get it back?  
Paperface, paperface  
Paperface, paperface, yeah, yeah  
Paperface, paperface  
Paperface, paper, paperface
