Winter Snow

Chris Tomlin

Could've come like a mighty storm
With all the strength of a hurricane
You could've come like a forest fire
With the power of Heaven in Your flame
But You came like a winter snow
Quiet and soft and slow
Falling from the sky in the night
To the earth below
You could've swept in like a tidal wave
Or an ocean to ravish our hearts
You could have come through like a roaring flood
To wipe away the things we've scarred
But You came like a winter snow, yes, You did
You were quiet, You were soft and slow
Falling from the sky in the night
To the earth below
Ooh no, Your voice wasn't in a bush burning
No, Your voice wasn't in a rushing wind
It was still, it was small, it was hidden
Oh, You came like a winter snow
Quiet and soft and slow
Falling from the sky in the night
To the earth below
Falling, oh yeah, to the earth below
You came falling from the sky in the night
To the earth below
