I Could Be

The Naked Brothers Band

I could be anything I wanna be I could be anything I wanna be Like a bird flying up in the tree Like a bee stinging for honey I could be anything I wanna be I could be anything I wanna be Like a fish swimming in the sea Like a copy of someone like me

I could be I could be

I could be
I could be
I could be anything I wanna be

I could be anything I wanna be Like a rapper for example Jay-Z

Like a skateboard prodigy

I could be I could be I could be I could be
