If You Asked

Longview

Hear you talk so loud and clear
Can't help feeling something's near
Though you've not said much
You said it allBeen four weeks it starts to show
Last in line for you I know
Though you've not said much
You said it allBut I'd stay for you
I'd go right through
I'd be here close
When you need it most
I'd be around
If you felt down
I'd bring you flowers
Sit and talk for hoursFinish up and dry my face
I'm shining like a new penny
I'll never light your eyes up like they shouldBut I'd stay for you
I'd help you through
Though your not mine
Already knew
I'd cheer you up
If you felt down
I'd make you smile
I'd be aroundI'd stay for you
I'd go right through
I'd be here close
When you need it most
I'd be your type
Whatever you like
I'd bring you flowers
Sit and talk for hours
I'd cheer you up
If you felt down
I'd make you smile
When you came around
