

I Feel Bad Now

Cub Sport

Yeah I told you I was always gonna be here
Always gonna be here for you darlin'
I told you, you were in my heart again,
Always gonna be her for you darlin'Chorus:
You can't always get what it is you want
You can't always be the one you wanted to be
Are you sad now? I feel bad now, now you know it's not easy
Are you sad now? I feel bad now, now you know it's not easyYeah I was gone when you.....
Wish I coulda been here for you darlin'
I won't forget the promises I made
Wish I didn't break down for you darlin'
Sorry for lyingChorusI told you I was always gonna be here,
Always gonna be here for you darlin'
I told you I was always gonna be here,
Always gonna be here for you darlin'
Sorry for lyingChorus
