

Youtopia

Owl City

I can feel you in the raising tide
Can you feel me by the fire side From the moonlight
Through the cherry trees
Open the roof and take in the view
Cuz youre my sweetest dream
Come true Colour the dusk, deep navy blue
And try to be brave
Cause Ill be right beside you
Theres a world so high
Hold out your hands
And you can go anywhere
So reach for the stars
Cause Ill be waiting up there
And you can finally fly
Cause youll be lighter than air Colour the dusk, deep navy blue
And try to be brave
Cause Ill be right beside you
Theres a world so high
Hold out your hands
And you can go anywhere
So reach for the stars
Cause Ill be waiting up there
And you can finally fly
Cause youll be lighter than air
