

# For the Birds

Pixar

I'll watch over you from above  
Watch with signs of your love  
And heaven's not the same in the rain  
It's just a sad old tale like today But i'm already in your heart  
Said i'm already in your heart  
Then i knew right from the start  
That i'm already in your heart Well it's getting late, we should stay here  
But you're on the phone, miles away  
And though i know it's not the same  
We can fall asleep, dream of ways But you're already in my heart  
Said you're already in my heart  
And i knew right from the start  
That you're already in my heart
