

# Toy Collection

Katie Melua

I will not sell my toy collection  
If I did I would weep  
Who's to say what you need and what you don't  
On a desert island they're the things I'll keep

Some children had their parents read them stories  
Well I heard mine directly from the source  
Captain Kirk shared his tales and glories  
While fighting a deadly force

Who's to say when you get older  
You don't need a toy collection?  
Who's to say when you get older  
That you have to follow convention?

Black beard told me of his troubled mother  
And with his songs he'd sing me off to sleep  
He said Superman was my real father  
And they gave me dreams that I still keep

Who's to say when you get older  
You don't need a toy collection?  
Who's to say when you get older  
That you have to follow convention?

Who's to say when you get older  
You don't need a toy collection?  
Who's to say when you get older  
that you have to follow convention?  
That you have to follow convention?
