

Surface (feat. Nicole Miglis)

Bonobo

Make me
I've been paper thin so I cannot fly
I cannot move without wind, without wind
Saw the side of you I never knew
But were we ever good enough?
And all we have to do is talk it through
But words are never good enough
Can we get anywhere?
Paper thin paperweight
Are we close enough?
Close enough? Seek the surface
I can make it up
By not being perfect
I can make it up, I can make it up
I can make it up, I can make it up
I can make it up, I can make it up
I can make it up, can I make it up
But what you wonder, if I'm crystal blue
But you were never clear enough
And every word to you is hard to say
'Cause words are never good enough
Can we get anywhere?
Paper thin paperweight
Are we close enough?
Close enough? Seek the surface
I can make it up
By not being perfect
I can make it up, I can make it up (Seek the surface)
I can make it up, I can make it up
I can make it up, I can make it up (By not being perfect)
I can make it up, can I make it up?
I can make it up I can make it up, I can make it up
I can make it up, I can make it up
I can make it up, I can make it up
I can make it up, I can make it up
Can we get anywhere?
Paper thin paperweight
Are we close enough? I can make it up, I can make it up
I can make it up, I can make it up
Seek the surface
Seek the surface
Seek the surface
