

# Welcome to Nowhere

## The Mint Chicks

We're not different  
We're non-descript  
We're blending in I would like to spend some time in isolation with you We're not different  
We're non-descript  
We're blending in I would like to spend some time in isolation with you I come from nowhere  
Welcome to nowhere  
Don't get me wrong  
I'm happy to dance the night away
