

Mary Sunshine Rain

Dada

Mary won't be comin' 'round, no more
I won't touch her violet hair
That fell like rain and filled the air with roses
Mary won't be comin' 'round, no more
She won't look into my eyes
And tell me I'm the only one who knows her
Mary won't be changing me, no more
She won't reach into my mind
And fill those gutters with red wine and reason
Mary won't be changing me, no more
I guess that I knew all along
That she'd be leaving with the song of season
Sunshine rain
Sunshine rain
Yeah Mary won't be comin' 'round, no more
She won't reach into my mind
To fill those gutters with red wine and reason
Mary won't be comin' 'round, no more
She won't look me in the eyes
And tell me, I'm the only one who knows her
Sunshine rain
Sunshine rain
