

# British Headboards

## Jeremih

Doing your body right  
It's everything he don't like  
Girl we be breaking headboards, headboards, headboards  
We be breaking headboards, headboards, records  
Let your feet touch the sky  
Get all of your feelings right  
And we be breaking headboards, headboards, headboards  
We be breaking headboards, records, legs sore  
Throw, I play tag with your body  
Spin the bottle, have you kiss it  
Just Kama Sutra, have you switch it  
You woulda thought that we was playing Twister  
But I ain't here to play no games, play no games  
What I'm saying is  
The neighbors think it's a fight  
It's best I don't spend the night  
Girl we be breaking headboards, headboards, headboards  
We be breaking headboards, headboards, records  
Headboards babe, headboards babe, headboard babe  
She say what you stand for babe?  
Stand for me, stand for me  
I'mma kiss you right there  
We don't need no lights here  
She know ain't no it ain't my name  
She know my name  
She say my name (Jeremih)  
We start off fast and end slow  
And you know, all I promote  
I'ma kiss all of your lips  
I'ma start right with your hips  
Got your body bustin' off clips  
No, he don't do it like this  
Doing your body right  
It's everything he don't like  
Girl we be breaking headboards, headboards, headboards  
We be breaking headboards, headboards, records  
Let your feet touch the sky  
Get all in your feelings right  
And we be breaking headboards, headboards, headboards  
We be breaking headboards, records, legs sore  
Uh, make it a little harder, harder, yes  
Mmmm, baby  
I can handle it, uh deeper
