

# My Destiny

Dove Cameron

Everybody told me walk away  
It isn't worth the fight  
Don't make waves and don't look back  
And you'll be fine, yeah, right

Turns out that's not who I am  
Or who I want to be  
So I'm gonna try to simplify  
And be the perfectly imperfect me

I'm flying blind  
But I know I'll find my destiny  
I'm ready to do whatever it takes, my destiny  
And I'm not afraid of making mistakes  
It might not be smart to lead with my heart  
But that's how it's gonna be  
No dream too small  
Giving it my all  
That's my destiny

Every day's a crazy ride  
But I'll stay strong because I

I decide my destiny  
Facing a long and difficult climb, my destiny  
Learning to trust the mysteries of time  
There's not much of a plot, so like it or not  
Gonna have to wait and see  
I'll rise, I'll fall  
And heed the call  
That's my destiny
