

# Just What I Do

## Trick Pony

It's just what I do when I can't get no lovin'  
Just what I do when I can't get no lovin'  
Hit it!  
One, two, three, four Jesse James was an outlaw man  
He was always breakin' the law  
Six guns firing from both his hands  
Fastest you ever saw Did he do it for the money  
Or was it for the fame?  
Finally somebody asked him  
"Jesse, why you wanna rob them trains?"  
And Jessie said "It's just what I do when I can't get no lovin'  
Just what I do when I can't get no lovin'  
I'm the meanest hombre you ever saw  
'Cause lately I ain't gettin' no lovin' at all  
It's just what I do, it's just what I do" Well Orville Wight set his sights  
High up in the air  
And him and Wilbur worked day and night  
He didn't seem to care Well the town folk said if you were meant to fly  
God would have given you wings  
What makes you want to spend all of your time  
Building that flying machine  
And Orville said "It's just what I do when I can't get no lovin'  
Just what I do when I can't get no lovin'  
I'm the first flight boy you ever saw  
'Cause lately I ain't gettin' no lovin' at all  
It's just what I do, it's just what I do", oh yeah Well Picasso painted them pictures  
There was beauty in every stroke  
When asked about his motivation  
He said, "I think it's 'bout time you should know" It's just what I do when I can't get no lovin'  
Just what I do when I can't get no lovin'  
I'm the workinest painter that you ever saw  
'Cause lately I ain't gettin' no lovin' at all  
It's just what I do, it's just what I do, it's just what I do  
It's just what I do when I can't get no lovin'
