Girlfriend

Na na na, na na naAll I need in this life of sin is me and my girlfriend
Down to ride till the happy end, is me and my girlfriendWhere would you be, be without me
We'll never find out
What would I do, do without you
We'll never know nowTalking bout the lights, the dirt, the sh-t, that hurts
We're not gonna turn around
We're doing this for good, for worse
The gift, the curse, we're not gonna back downAll I need in this life of sin is me and my girlfriend
Down to ride till the happy end, is me and my girlfriend
All I need in this life of sin is me and my girlfriend
Down to ride till the happy end, is me and my girlfriendI wanna feel the sun, the waves, the wind in my face
The speed, the chase, na na na
I wanna feel the sun, the waves, just wanna cross the states, making up as we go
That's how's gon' be, young wild and free
Not gonna slow down
Up to the max, until we crush, we're not gonna stop nowAll I need in this life of sin is me and my girlfriend
Down to ride till the happy end, is me and my girlfriendNa na na, na na na
Na na na, na na naAll I need in this life of sin is me and my girlfriend
Down to ride till the happy end, is me and my girlfriend
