Glow

Coal Chamber

All my might is funeral flight
Tonight it glows for you
It's fueled with fire, a killing desire
For people you've screwed
So what you feel now
It's coming
And what you need now
It's coming
And what you feel now
It's coming
And what you need now
It's coming
Get it, you want it, I've got it
I'm gonna get it good
Get it, I've got it, you want it
I'm gonna get it
Get it, you want it, I've got it
I'm gonna get it good
Get it, you want it, I've got it
I'm gonna get it
What doesn't kill, It surely will
Make I stronger still
I'm fueled with fire, a killing desire
For people you've screwed, screwed
Get it, you want it, I've got it
I'm gonna get it good
Get it, I've got it, you want it
I'm gonna get it
Get it, you want it, I've got it
I'm gonna get it good
Get it, you want it, I've got it
I'm gonna get it
Get it
Get it
Get it
Get it
It just doesn't seem like
You're yourself anymore
Just the other day I was sayin' to someone

I don't know what happened anymore
It's just not the same anymore
Get it you want it, I've got it
I'm gonna get it good
Get it, I've got it, you want it
I'm gonna get it
Get it you want it, I've got it
I'm gonna get it good
Get it, I've got it, you want it
I'm gonna get it
Get it, you want it
I've got it, got it
Get it, you want it
I've got it, got it
Get it, you want it, I've got it
I'm gonna get it good
Get it, you want it, I've got it
I'm gonna get it
Get it
Get it
Get it
Get it
