

God

Eddie James

Verse

Every time I lift my hands it's because of you
Every time I lift my voice it's because of you
Every time I give you praise it's because of you
Every time I bless your name my voice it's because of you

Chorus

It's because of you that I sing
It's because of you that I pray
It's because of you that I worship
And bow down to your name everyday

Chorus

It's because of you that I dance
It's because of you that I shout
It's because of you that I leap for joy
With a heart that has no doubt
