Gone Away

Bag Raiders

Each Time

I'm away

On a plain

Gone for days You'll find

Someone else

Come along

Take my placeI try

Every night

To call you up

Down the lineAlright

Never mind

I'm all alone

Doin' fineBecause you're

"gone gone gone away"Because you're

"gone gone gone away"And love is

"gone gone gone gone away""gone gone gone gone"

And love is

"gone gone gone "That's right

She'd a tear

Say goodnight

Dry your eyesThis time

It's all so clear

Don't look back

No goodbyesWe start

Moving on

Sliding in

Where we belong I'm still

Feeling like

You're leaving me

Hanging onBecause you're

"gone gone gone away"Because you're

"gone gone gone away" And love is

"gone gone gone gone away""gone gone gone"

And love is

"gone gone gone gone"
