

O Holy Night

[Olivia Newton-john](#)

O Holy night
The stars are brightly shining
It is the night
Of our dear Savior's birth
Long lay the world
In sin and error pining
Till He appeared
And the soul felt its worth
A thrill of hope
The weary world rejoices
For yonder breaks
A new and glorious morn
Fall on your knees
Oh, hear the Angel voices
O night divine
O night when Christ was born
O night divine
O night, O night divine
Truly He taught us
To love one another
His law is love
And His Gospel is peace
Chains shall He break
For the slave is our brother
And in His name
All oppression shall cease
Sweet hymns of joy
In grateful chorus raise me
Let all within us
Praise His holy name
Christ is the Lord
And ever we will praise Thee
O night divine
O night when Christ was born
O night divine
O night, O night divine
