Showdown

Electric Light Orchestra

She cried to the southern wind
About a love that was sure to end
Every dream in her heart was gone
Headin' for a ShowdownBad dreamer, what's your name?
Looks like we're ridin' on the same train
Looks as through there'll be more pain
There's gonna be a ShowdownAnd it's rainin' all over the world
It's raining all over the world
Tonight, the longest nightShe came to me like a friend
She blew in on a southern wind
Now my heart is turned to stone again
There's gonna be a ShowdownSave me, oh, save me
It's unreal, the suffering
There's gonna be a ShowdownAnd it's rainin' all over the world
It's raining all over the world
Tonight, the longest nightRaining, raining
Raining, rainingRaining all over the world
Raining all over the world
The longest night
And it's raining all over the world
Raining all over the world
Tonight, the longest night
