

# Gatheration

## Lady Sovereign

This is the midget's mansion

Yo, an' if you ain't invited

You ain't comin' in

By S O V

It's like orcas splashin', people crashin'

Unnecessary drunken feuds is fashion

Clean up that spilt drink or you ain't crashin'

My bed's out of bounds, so strictly no lashin'

Where's my debit card? Nobody move

You ain't gettin' out of this room until I prove

That you didn't take it and I misplaced it

Now get out my chair, I wanna trade face, pick

All these facety chicks 'ave gotta face it

Even on a Friday evening when I'm wasted

You see this life? Well, you'll never gonna taste it

I don't associate with wasters

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' messed up

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' mashed up

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' messed up

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' f\*\*\*ed u\*

Now who's in my yard? I've lost count

There's 10 downstairs, there's 4 on the couch

There's 5 runnin' about, someone better bounce

Before I ding ding and your lights are out

Or you get left out like the ginger girls are louts

Someone's vomitin' and give me the sponge and towel

Allow it, I'll clean up the sick

Why have another sip if you can't even handle it?

Lightweights, I really can't stand 'em

Stay away 'cause I'll do somethin' random

And they're monkeys, and their faces are brown

And the world comes to the midget's mansion

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' messed up

There's a gatherin', where's it at? My yard

Who's reachin'? It's gettin' mashed up  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' messed up  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' f\*\*\*ed u\*  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what?  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what what?  
Who's reachin'? Who's getting what what?  
What? What? What? What?  
So that's me drunk as a skunk  
Shaggin' like some offbeat punks  
So I got scared and went to the shop  
And got my junk food, I wasn't tryin' to be rude  
I was in the Gatheration spirit, in it?  
My bedroom stinkin' of fries and Guinness in it  
I gave it one look and I said, "Bin it", in it  
She said that she'd be back in a minute, is it?  
How 'bout next Friday?  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' messed up  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' mashed up  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' messed up  
There's a gatherin', where's it at? My yard  
Who's reachin'? It's gettin' f\*\*\*ed u\*  
There's a gatherin', where's it at? My yard

Yeah, yeah, get to know this, Gatheration  
It's not called a house party no more  
Yeah, Gatheration Nation, Lady Sovereign  
On time, yeah, make way for the S O V
