

No More

Lil Yachty

Hey, Lil Boat I can't take no more, no more

I can't take no more, no more, no more

No more, no more

I can't take no more, no more

I can't take no more, no more

I can't take no more

I can't take no more I can't keep fuckin' round with these bitches who don't want nothin' more than my money

I can't keep fuckin' round with these bitches, these bitches just want my money

They don't want me

I can't keep fuckin' round with these hoes, chicks, these bitches, they just want money

I can't keep dishin' out this money to these bitches, they don't want nothin' but my money

I can't take no more

I remember nights sleepin' on the floor

Now I got bitches out in Singapore

Singapore, Singapore, Singapore

I got bitches out in Singapore

I remember ridin' 'round Seattle in that Maybach with Macklemore

I remember high school, lil homie had went to the league

Watching him do that let me know Lil Boat could do anything

And it's true, it's true No more, no more

No more, no more

I can't take no more, no more

I can't take no more, no more, no more

No more, no more

I can't take no more, no more

I can't take no more, no more

I can't take no more

I can't take no more

I can't keep fuckin' round with these bitches who don't want nothin' more than my money

I can't keep fuckin' round with these bitches, these bitches just want my money

They don't want me

I can't keep fuckin' round with these hoes, chicks, these bitches, they just want money

I can't keep dishin' out this money to these bitches, they don't want nothin' but my money

I can't take no more
