

Karma

Joss Stone

Oh yeah, yeah
If I was just a little bit stronger baby
Could've made it last a little bit longer maybe
Could've made it on my own
I should've just let you go
I should've been a little bit stronger baby
If I was just a little bit sweeter baby
I know, I know, I know
I wouldn't be here alone
Thank God im a little bit needy baby

CHORUS

I am what I am
You did what you did
I'm glad I'm not a sinner baby
Cuz here's the twist
You are what you are
I saw what I saw
Karma's your master
And you're the bitch
You could've tried a little bit harder baby
You could've been a little smarter baby
I tried not to see when you were on and off of me
You could've tried a little bit harder baby

CHORUS

I am what I am
You did what you did
I'm glad I'm not a sinner baby
Cuz here's the twist
You are what you are
I saw what I saw
Karma's your master
And you're the bitch
Yes you are
Now I got a loaded gun now baby
Gonna love to watch you run like a lady
And cry like a baby
Just like I did when you had gone
See I, I should have been a little bit stronger
I should have been a little bit harder

Should have been a little bit tougher
Should have been a little bit smarter
Should have been a little bit rougher
Should have been a little bit stronger
Should have run a little bit faster
Away from you baby
Away from you
I made it on my own
Now the feeling's gone
It's so gone
