

# Too Long I've Been Gone

[Dom Flemons](#)

Don't need no cup of coffee in the morning

I get up fine

I can get up fine

Delia is a pretty girl

But she ain't mine

But she ain't mine

Take a little trip to the station

I'm bound to go

I'm bound to go

When I'll see my lover again

I do not know

I do now know

Too long

Too long

I've been gone

Four wide walls and a worried mind

That's all i have

That's all

That's all

And when I need someone to talk to

I just say hello wall

Too long

Too long

I've been gone.

Four winds blow the breeze

Wipe my tears away

They say your fine

They say you're fine

And when the world seems so far away

I've got nothing left except my mind

Too long

Too long

I've been gone

Too long

Too long

I've been gone
