

# Only In the Past

## The Be Good Tanyas

Run away to the seashore  
It doesn't matter anymore  
It doesn't matter anymore Words dry up and fly away  
With the passing of the days  
Eventually you just let the stone fall I dreamed that I saw you  
You were down at the corner store  
You were looking through magazines  
And you flew out the door I was trying to wave to you  
But you wouldn't wave back  
Now you know I understand  
You're with me only in the past My palms are not open  
They're closed, they're closed Colors streak the sky  
We laugh and we cry  
And we dance in the cool grass  
With the fireflies We dance in the cool grass  
Sunset birds  
Sweet, sweet music  
Swallow our words You set sail and you left this town  
Run away, run away  
You're so far from me now  
So far from me now Run away to the seashore  
It doesn't matter anymore  
It doesn't matter anymore I dreamed that I saw you  
You were down at the corner store [unverified]
