

Rebuild

Verse

We need to rebuild a sense of community
We can only begin with YOU AND ME
Picking up all the pieces we've spent
Our past years CHIPPING AWAY
We need to rebuild a sense of community
We can only begin with YOU AND ME
Picking up all the pieces we've spent
Past years CHIPPING AWAY... AWAY!
Rebuilding a new scene FOR ALL OF US TO SHARE
FOR ALL OF US TO SHARE
FOR ALL OF US...
