

# All Time High

## Scoop DeVille & Demrick

All I wanted was a sweet distraction for an hour or two  
Had no intention to do the things we've done  
Funny how it always goes with love, when you don't look, you find  
But then we're two of a kind, we move as oneWe're an all time high, we'll change all that's gone before  
Doin' so much more than falling in love  
On an all time high, we'll take on the world and wait  
So hold on tight, let the flight beginI don't want to waste a waking moment, I don't want to sleep  
I'm in so strong and so deep, and so are you  
In my time I've said these words before but now I realize  
My heart was telling me lies, for you they're trueWe're an all time high, we'll change all that's gone before  
Doing so much more than falling in love  
On an all time high, we'll take on the world and wait  
So hold on tight, let the flight beginSo hold on tight, let the flight begin  
We're an all time high
