

Love Is Gonna Bring Us Back Alive

[Rickie Lee Jones](#)

Well, loves gonna bring us back alive
Loves gonna bring us back alive
Over mountains where no one goes Oh, yeah, yeah, yeah, weve been runnin, runnin'
Yeah, yeah, yeah, but we can't stop runnin
Oh, yeah, yeah, yeah, until love brings us back alive Weve been outlaws on the run
Sometimes outlaws on the run
I was just a baby when I fired my gun Oh, yeah, yeah, yeah, keep on runnin on
Yeah, yeah, yeah, never stop runnin
Yeah, yeah, yeah, until love brings us back alive Well, the rivers only water and the mountains only gold
Theyll get old, tell me will you walk through this world alone? Oh, yeah, yeah, yeah, everybody
[Incomprehensible]
Oh, yeah, yeah, yeah, everybody [Incomprehensible]
Love will bring us back alive Over mountains, well come home
Through the desert, were gonna come home
Theres no water, where the wind has blown Oh yeah, yeah, yeah, well, the rain comes down
Oh yeah, yeah , yeah, but we cant stop now
Oh baby, love will bring us back alive
