

I Sing the Body Electric

Me First and the Gimme Gimmes

I sing the body electric
I celebrate the me yet to come
I toast to my own reunion
When I become one with the sun And I'll look back on Venus, I'll look back on Mars
I burn with the fire of ten million stars
And in time, and in time we will all be stars [Chorus]
I sing the body electric
I glory in the glow of rebirth
Creating my own tomorrow
When I shall embody the earth And I'll serenade Venus, I'll serenade Mars
I'll burn with the fire of ten million stars
And in time, and in time we will all be stars
