

# Get Along

## Ginger Ale

Well, I thought it was love at first sight  
You pulled the gloves off that first night  
Came out swingin', fightin' all night long  
Yeah, we've been goin' round and round  
You've beat me up, you've beat me down  
Don't think that we'll ever get along  
So why don't you get along, get along  
It's high time you got good and gone  
We can't seem to get along  
So why don't you get movin' on  
Holdin' out, holdin' on  
Tried to hard for way too long  
Girl, I think it's time you get along  
Well, you're stubborn as an old pack mule  
You'd argue with a barstool  
Set you off and you'd fly right through the roof  
Yeah, you're horny as an old wet hen  
You rule the roost with all your men  
Think it's time you finally flew the coup  
So why don't you get along, get along  
It's high time you got good and gone  
We can't seem to get along  
So why don't you get movin' on  
Holdin' out, holdin' on  
Tried to hard for way too long  
Girl, I think it's time you get along  
Yeah, let's not try to work this out  
Pack your bags and pack your mouth  
Don't let that screen door hit you  
When you're on your way out  
You're hell on wheels, you take the cake  
Meaner than a rattlesnake  
Just one thing left that I need from you  
So why don't you get along, get along  
It's high time you got good and gone  
We can't seem to get along  
So why don't you get movin' on  
Holdin' out, holdin' on  
Tried to hard for way too long

Girl, I think it's time you get along  
Yeah, I think it's time you get along
